2. Vaya a **Exam Rule Profile** y luego a **Create New Profile** para crear las reglas del examen.

3. Asigne un nombre a las reglas a establecer (**Rules Profile Name**). Luego, seleccione las opciones que los estudiantes **podrán** utilizar durante el examen custodiado. Si no ve listada la opción que desea, debe incluirla en el encasillado de **Special Instructions** bajo la opción de **Other/Misc.** Al finalizar, presione sobre **Create Profile**.

The screenshot displays the 'Exam Rule Profile' configuration interface, which is divided into several sections. Each section has a title, a help link, and a list of options. The interface is dark-themed with blue and white text. Numbered callouts (1-6) point to specific elements: 1. 'Exam Rule Profile Name' section, specifically the text input field. 2. 'Profile Availability' section, specifically the 'Make Profile available to others in this Course' checkbox. 3. 'Applications Allowed' section, specifically the 'Microsoft Excel' checkbox. 4. 'Web Browsing Allowed' section, specifically the 'Blank Paper Only' checkbox. 5. 'Web Browsing Allowed' section, specifically the 'Textbook' checkbox. 6. 'Other/Misc. Allowed' section, specifically the 'Special Instructions' checkbox. At the bottom, there are three buttons: 'Reset', 'Cancel', and 'Create Profile' (highlighted with a green circle). A separate 'Create profile' button is also visible on the right side of the interface.
