Directions for the Student

On the reverse side of this page, list the department, number, title, and credit hours for each course you might take at the host institution as described in the host college catalog. You should select at least twice as many courses as you plan to take on exchange and list courses for the entire period of your exchange not just for your first term. For each course selected, attach a copy of the course description. With the help of your academic advisor, indicate how each course will be accepted (e.g., major requirement, major elective, elective, core requirement). If the course will replace a major course, indicate the course that will be replaced. Secure the signatures of your advisor and other individuals as directed by the NSE coordinator. Sign the form and return it to the campus NSE office prior to exchange.

NOTE: Access to courses at your host campus is based on offerings and availability and cannot be guaranteed. You must meet all pre-requisites or co-requisites as required by the host campus.
